ESG FUNDING TECHNICAL ASSISTANCE

Emergency Solutions Grant Overview

- To broaden existing emergency shelter
- Emphasize Rapid Re-housing
- Help people quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness
- Support more coordinated and effective data collection, performance measurement, and program evaluation.

Eligible activities fall within the parameters of five components:

- Emergency Shelter
- Rapid Re-housing
- Homelessness Prevention
- Street Outreach
- Homeless Management Information Systems (HMIS)

Homeless Definition

- Homeless definition has 4 Categories:
 - 1) Literally homeless individuals/families
 - 2) Imminent Risk of Homelessness
 - 3) Homeless under other Federal Statutes
 - 4) Fleeing/Attempting to DV
