

**CITY OF BROWNSVILLE FISCAL
YEAR 2023 WORK PLAN
ENTERPRISE PROJECT MANAGEMENT OFFICE**

Commission Pillar	Work Plan Element
GOV	<p>EPMO Team will host at least two "Friday with EP MO" at the EP MO office to promote an environment of innovation and design thinking in order to bring at least two innovative ideas into reality and implement them successfully by the end of FY 23.</p>
	<p>EPMO Team will promote Change & Project Management by participating and hosting one day and showcasing this topic during One City Week. This will create engagement with team-members across the City of Brownsville and highlight Change & Project Management best practices and project outcomes during the Total Alignment Week.</p>
	<p>EPMO team will conduct "One Day with EP MO TEAM", which will consist of shadowing departments within the city for a day (total of sixteen visits) in order to keep building strong relationships, understand how they operate and review decision-making approaches amongst departments by the end of FY 23.</p>
	<p>EPMO Team members will attain at least four certifications as a group (change/project management & other professional level certificate) to help support city's mission, vision, and goals by the last quarter of FY 23.</p>
