BROWNSVILLE ADOPT-A-PARK

ACTIVITY REPORTS We will measure the success of the Adopt-A-Park program by requiring participants to track and document their work. For each work activity, adopters shall complete a brief report. Reports are due quarterly to City of Brownsville Parks and Recreation Department. Failure to submit the reports could jeopardize your park adoption.

NOTICE OF CHANGES/CANCELLATION Adopters must notify City of Brownsville Parks and Recreation Department in writing of any changes including group or contact information, adopter activities or any special requests. At the end of each adoption year, written notification must be provided as to whether you will renew or cancel your park adoption. Renewal occurs with a new application. Cancellation prior to the one-year minimum requirement may prohibit your ability to participate in the future.

I/We acknowledge and agree to the procedures of the City of Brownsville Adopt-A-Park/Trail and understand the nature of the work that is to be performed and take full responsibility for participation in the program. I/We agree to fulfill the minimum requirement for keeping _____ park litter free and will attend a brief training session. I/we agree to obtain written permission for any landscaping activities and agree to properly dispose of all trash and lawn waste. I/We understand that the City of Brownsville Parks and Recreation Department is not liable for any injuries, accidents, or damage that might occur under this agreement.

A graphic for the "Brownsville Adopt-A-Park" program. It features a central illustration of a classical building with a dome and columns, flanked by palm trees. To the right of the building, the word "BROWNSVILLE" is written in green, and "ADOPT-A-PARK" is written in large, bold, orange letters with a black outline. The entire graphic is set against a white background with a green and orange border.
